

SPEAKING PRESENTATION:

Data Breach Risk Management: Real Risks, Real Data, Real Answers

PRESENTING:

John Iannarelli, FBI Special Agent (ret.)

During John's more than 20 years with the Federal Bureau of Investigation (FBI), he was the FBI's National Spokesperson, on the FBI Cyber Division executive staff, an FBI SWAT team member, and the Assistant Special Agent in Charge of the FBI's Phoenix Division. A frequent contributor for Fox News Channel and other media outlets, John is a highly sought after keynote speaker having presented to the United Nations, Fortune 500 companies throughout the world, and even the Vatican where he met personally with Pope Francis.

Jim McCabe, SVP, Identity Theft Services at Vero

Mark Pribish, Vice President and ID Theft Practice Leader at Merchants Information Solutions

This presentation discusses the most common ways credit unions are vulnerable to various cyber threats including data breaches, identity theft, fraud scams and hackers. Credit unions will learn about best practices to protect themselves and their members, as well as effective ways to meet cybersecurity and fraud prevention requirements from NCUA's 2017 Supervisory Priorities.

"Awareness & Education are so important to the protection of credit unions against breach events"...FBI
